### VOLUNTEER with Adopt-an-Airman/ Roots for Boots

Our MAC team has been working hard to revitalize our Rotos for Boots program. This program pairs host families with single airmen on base. The host families provide a family-away-from-home experience for single airmen who are seeking mentorship and family activities throughout the year and who might otherwise spend Thanksgiving and/or Christmas dinner alone. If you are interested in being a host family and "adopting" an Airmen to occasionally join you and your family for family events, or if you want more information on the

program please contact Kem  
Smelser.
