### Scholarship Fund

The Shreveport-Bossier Military Affairs (MAC) Scholarship Fund was established in 2013, and reauthorized by the Board of Directors in March 2022. The mission of the scholarship fund is to provide financial assistance to individuals enrolled for undergraduate study.

As you are aware the MAC spent the spring raising funds for our annual scholarship program. Our goal was to raise \$20,000 for the award of twenty scholarships of \$1,000 each to twenty members of Team Barksdale.

**I'm excited to share with you that we exceeded our fundraising goal!** The application process was highly competitive and choosing the recipients was an exceptionally difficult task for the scholarship committee. These twenty members of Team Barksdale should take pride in their selection as it is a direct reflection of their displayed potential for academic and leadership success, and a true dedication to furthering their personal education and professional growth. Additionally, the awarding of scholarships to these amazing Airmen was made possible by your generosity – thank you!

In November 2023, the MAC raised and donated \$10,000 to this program which sent more than 30 Airmen home to spend Thanksgiving or Christmas with their families, and we have assisted in sending Airmen as far away as Kenya, Africa.

If interested in donating, please go to our website to select the program and amount you would like to donate...every little bit helps!
